

Video Transfer

VHS transfer to DVD

(1) VHS tape is \$29.95 to have transferred

If you have more than 5 VHS tapes the cost is \$29.95 for the first 5 VHS tapes and \$19.95 for each additional tape after.

Copies of the DVD are \$10.00 each

8mm/Super 8 transfer to DVD

The set up charge is \$34.95 per DVD plus \$0.16 per foot.

Depending on how much is recovered from each roll you are paying \$34.95 for the amount that ends up on each DVD. We will attempt to fit all rolls on 1 DVD.

3 inches = 50 feet of film

5 inches = 200 feet of film

7 inches = 400 feet of film

Regardless of how much film is on the roll you will be charged the full amount per roll. We are unable to determine how much is on a roll until the entire roll is gone through.

Processing time can vary from 2 - 8 weeks. Rush orders may be available with a rush fee added.

We will call you once your order is ready for pick up. You are required to pay the full amount at the time of drop off.
